THINK TWICE.

It Will Repay Residents of Barre to Follow This Citizen's Advice.

That good old adage—"Think twice and act once"—is brought to mind when one reads the following account of the experience of a Barre citizen. Mr. Cummings made a public statement on the subject years ago, and at this time repeats his former testimony with renewed emphasis.

Geo. L. Cummings, engineer on the Montpelier & Wells River Railroad, residence 12 Prospect Street, Barre, says: "What I stated first in the month of February, 1897, about Doan's Kidney Pills, procured at E. A. Brown's, stopping continual pains across my back was absolutely true. It was often so bad that at times I was unable to do any work and so severe that I could scarcely lie so tame and sore I could scarcely lie comfortably in any position and as if that were not sufficient to aggravate the ordinary mortal there was added to it trouble with the Kidney secretions, particularly irregularity. The jarring of the train, if not the direct cause of the kidney complaint, certainly aggravated it, and Doan's Kidney Pills cured me of a very acute attack. I was only too pleased to make it known. Since that Mrs. Cummings has bought Doan's Kidney Pills and used them. They certainly brought her relief. I have more than one friend who is thankful for the knowledge he has gained about Doan's Kidney Pills."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for United States. Remember the name—Doan's—and take no other.

The Polar Bear.

The polar bear will not wander very far from the ice oceans of the north. The result is that his habitat is extremely narrow, though it girdles the world in the arctic regions.
